A Divine Address for a Blessed Life

OUR STORY

JND INFRASTRUCTURE PVT. LTD. is a privately owned property development company that has been operating since 2009. With an enviable land bank, the company is collaborating with the biggest names to bring to Jaipur the best in real estate developments like residential plots, Farmhouses, resorts etc. Each of our projects is meticulously planned and executed by the best talent available to ensure nothing more than the best. The CMD of JND Group Mr. Dinesh Singh Rana has immensely contributed as a consultant and advisor to the PDP Developers in their Tonk Square Project in Jaipur and Inderprastha Era in Neemrana. Our outstanding and highly credible track record in the real estate sector has always helped investors to bear fruits of profitability and productivity. Our projects are handled by a professional team of people who would guide you at each and every step. We commit to delivering the quality to our investors and making sure that they reap the best rewards on their capital investment.

We believe in the ideology of creating cosy, luxurious, authentic, aesthetic, and planned layouts infused with light, energy & greenery from the environment that make you feel charged and rejuvenated every time. Rise & shine in environment-friendly surroundings.
